STUDIO ETIQUETTE

Please remind your dancer to show their FootLites Pride by cleaning up their messes, walking in our hallways, using inside voices and kind words. It takes all of us to make the studio a fun and safe place.

Reminder:

Dancers need to have hair pulled back and proper dance clothes & shoes for each class. As the weather starts to change, please make sure your dancer has clean shoes to wear in Hip Hop & Tumbling so they are not wearing the same shoes

FAQ:

Do we pay tuition for the full month of December?

ANSWER:

Yes, tuition is due in full September-May.

We base tuition on 8.5 months/4 practices each month, which equal 34 weeks for the year.

June tuition will be pro-rated with holiday credits if applicable to your dancer.
