# *Picture Week*

**May 19th - May 22nd**

## **Picture Week Schedule**

A picture week schedule is finished and included in this email. It will also be in your portal under the Files Tab. There will be no dance classes this week unless your instructor has said otherwise.

## **Where are the photos taken & how do I purchase?**

All photos will be taken at FootLites in Studio A. These are closed to parents. All payments will be made to HK Photography. Photo forms to fill out will be emailed out with additional copies at the front desk.

## **Does my dancer need to be there if I am not purchasing any photos?**

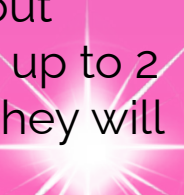

All dancers are encouraged to attend their photo time to be in the group photo that will be displayed on our wall next season. For individual pictures, all dancers will choose 2 poses for each costume with instructor guidance. Buddy & Sibling Photos are an option if purchasing them.

## **What is hair and makeup for Dance Photos?**

Costume details will be emailed out and posted on your parent portal as we get closer to picture week. We do encourage all dancers to wear a little bit of makeup so they are not washed out in the photos. Parents may use discretion. We suggest mascara, blush, lip gloss or lipstick and whatever else you are comfortable with.

## **When are my photos available for pick up?**

Once a dancer's photos are edited, digital photos will be sent out immediately. Due to the amount of photos taken then can take up to 2 months to finalize. Photos will not be ready at the same time, they will be dispersed as they are finished.
